

Welcome to Green House Café 🌿

Nestled in the heart of Badulla, just steps away from the swimming pool and the serene Badulla river, Green House Café is your escape into nature and comfort. We are a locally-owned café, founded and operated by Mr. Nilantha Rathnayake, with a mission to bring warmth, community, and great food to everyone who walks through our doors.

Whether you're here for a hot cup of Ceylon tea, a hearty lunch, or just a relaxing place to work or chat with friends, we promise you a cozy experience with breathtaking views of the surrounding mountains.

Come in as a guest, leave as a friend. ☕🌿
